Did you manage to contact the buyer?

## | Integration with the CRM system

You can integrate Supl.biz with a CRM system (Bitrix24, AmoCRM) and a Telegram bot so that you can receive orders directly into the CRM and messenger.

## | Your account as a website on our subdomain

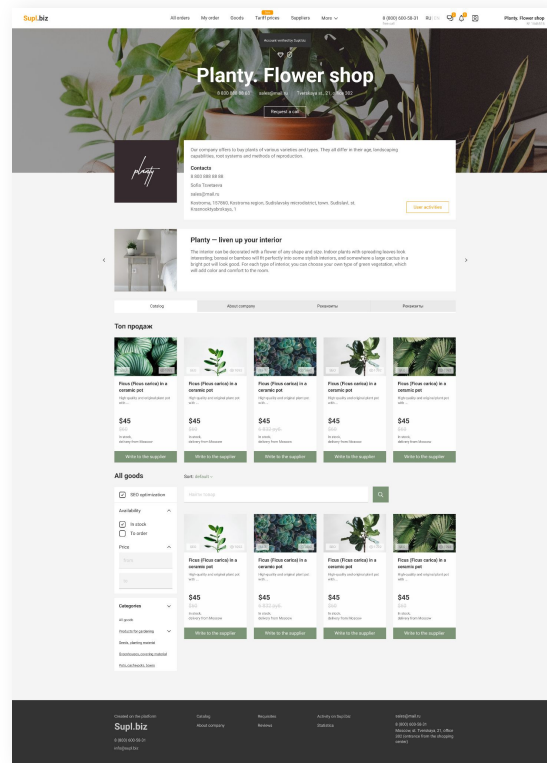

Full-fledged website on a separate subdomain, with sections where customers can see all your products, contacts, description and can request your call with a special contact form.

## Turnkey profile design

We will create your profile-website on Supl.biz to attract more clients.

- Cover of the profile,
- Banner for your new,
- Designing profile navigation elements in your corporate color,
- Preparing a logo for your profile avatar.

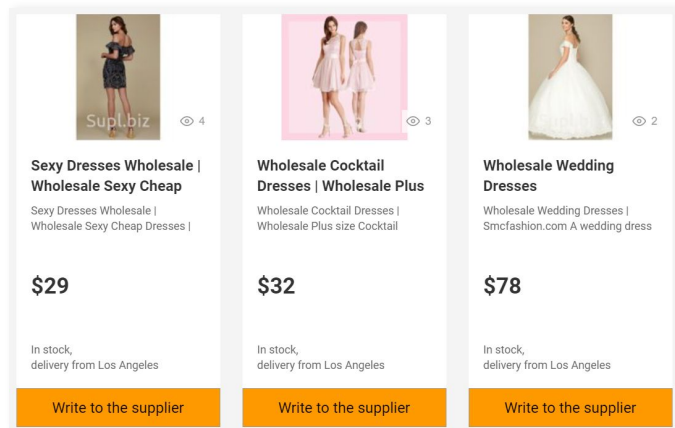

## | Upload your price-list

we will upload 200/1000/3000/6000 (depending on the duration of the tariff) products from your price-list to Supl.biz catalog in any format. In YML format, we will upload products with no quantity limit. You can also upload an unlimited number of products by yourself.

## | SEO-texts for products

for your products\* we will write a unique description so that they are displayed as high as possible in Yandex and Google search engines.

\* tariff for 1 month = texts for 3 products  
tariff for 3 months = texts for 9 products  
tariff for 6 months = texts for 18 products  
tariff for 12 months = texts for 36 products

## | Search Engines Indexing

your products will be indexed by Yandex and Google search engines.

## | Unlimited managers accounts

we will connect any number of your employees and branches to one tariff.
